

November 24, 2003

Dear Electronic Stakeholder:

Thank you for expressing interest in the implementation of SB 20. The Department of Toxic Substances Control (DTSC) would like you to participate in our Scope and Export Workgroup. The Scope and Export Workgroup will discuss with DTSC scope and export implementation options and the issues those options may raise. These implementation options and issues will be considered as DTSC moves forward in our role to implement SB 20. DTSC expects to summarize the workgroup's efforts in at the stakeholders meeting on December 11, 2003.

The Scope and Export Workgroup will consist of stakeholders from manufacturers, environmental groups, recycling and waste industry, and local agencies. The first meeting is scheduled for:

December 5, 2003  
1:30 to 4:00 PM  
Room 1110, 11<sup>th</sup> Floor  
Department of Toxic Substances Control  
1001 I Street  
Sacramento, CA 95812

Your participation is important to DTSC as we strive to implement SB 20. Participation for this meeting will be available by teleconference. Please confirm whether you or a representative from your company or organization will be attending the meeting or participating by teleconference by December 2, 2003.

Upon your confirmation of participation to the Scope and Export Workgroup, an agenda and teleconference information will be sent to you. If you have any questions, please contact Corey Yep at [cyep@dtsc.ca.gov](mailto:cyep@dtsc.ca.gov) or (916) 324-5772.

Peggy Harris, P.E., Chief  
Regulatory and Program Development Division  
Hazardous Waste Management Program
